HARBUCK SELECTED AS PLAYING MANAGER FOR EL PASO'S TEAM

BASEBALL THE GREATEST GAME

Prominent American Educator Wants It Played in All Schools.

Indianapolis, Ind., March 4.—Baseball should be an important part for the education of children and every school boy and every school girl should play the great American game, is the opinion of W. A. Stecher, director of physical training in the public schools of Philadelphia as expressed today before the National Educational association.

Each school should have a baseball club and the clubs should visit each other's grounds in the fashion of professional leagues. Mr. Stecher said: "Increased attention must be paid to strengthening the bodies of children if their mentality is to improve and of all games, Mr. Stecher said baseball provides the best and safest exercise."

LEADERS IN CHANGING EVENTS
Bowling Congress Events
Detroit, March 4.—Still the leaders of the three American Bowling congress events remain unchanged. But new faces are appearing in the singles and at second place in the five men teams.

THE RECORDS IN THE BIG BICYCLING CONTEST
Buffalo, N. Y., March 4.—For the first time a break occurred last night in the ranks of the six day bicycle riders. After an hour's sprinting the Demarestein and Hill-Drobach team gained the lead. At midnight their record for 40 hours' going was 824 miles, one lap. The rest of the field had covered 824 miles with the exception of one team.

NEW BOWLING SCHEDULE.
A new schedule card for the three men bowling tourney at the Y. M. C. A. has been adopted. Beginning next week the teams will play regularly each Monday, Tuesday and Wednesday night. Entries are open for the individual championship to begin March 9. The play will be arranged so that any two men may bowl at any convenient time.

Executive Committee of the Baseball Club Will Start Campaign for Funds— Good Players in Sight.

A playing manager, an executive organization, an option on the Washington park grounds, these are the first three steps that have been taken to furnish El Paso with independent baseball this season.

At a meeting of the baseball supporters which was held in the office of the Electric Railway company last night, it was definitely decided to employ Frank Harbuck, the Shreveport scout to be playing manager of the El Paso team. An executive committee composed of H. S. Potter, manager of the El Paso Electric Railway company, Edgar Kayser, cashier of the First National bank; Robert Krakauer, of Krakauer, Zork & Noye, and E. E. Neff, of the E. E. Neff company, were selected as the executive committee to attend to the business transactions of the club.

To Raise Money.
The next move in the baseball game is to raise sufficient money to finance the team for the season. The plan for this is to make the subscriptions popular in order that each fan may contribute to the cause of baseball in El Paso. The executive committee wants at least \$3000 subscribed to the cause before a contract is signed with Harbuck and as soon as this amount is secured the Shreveport baseball scout will be employed to come to El Paso and take active charge of the baseball end of the game.

Shreveport has a number of the best players in the southwest and is in contracts to report to Shreveport for spring practice and El Paso will get a number of these players when the weeding out process begins. This does not mean that El Paso will get players who are unable to make good, but rather the men who show so much promise that Shreveport wants to take care of them and have them where they can be had on call. This will insure El Paso a good team as a number of the stars of last year's El Paso team are signed with Shreveport this season.

May Present White Sox.
W. S. Crawford, who managed the White Sox team the first of last season and also arranged for the appearance of the Chicago White Sox here, is at Santa Rosalia Springs on a pleasure trip. He has written to the promoters of baseball offering to turn over the dates for the appearance of the Chicago team here as he says he is out of baseball in El Paso. His offer is being considered and it is probable that Comiskey and his crowd will be arranged for by the executive committee which was selected at the meeting last night.
